UNITED STATES OF AMERICA,

Plaintiff,

vs.

CARMICHAEL DOAN, (02)

Defendant.

Cr. No. 02-00201-2 DAE

ORDER MODIFYING CONDITIONS OF  
SUPERVISED RELEASE

**LODGED**

OCT 18 2004

CLERK, U.S. DISTRICT COURT

DISTRICT OF HAWAII

ORDER MODIFYING CONDITIONS OF SUPERVISED RELEASE

The matter came on for hearing on September 28 and 30, 2004. At both hearings, the defendant was present with his attorney, Louis Ching, Esquire, and Assistant U.S. Attorney Wes Reber Porter was present on behalf of the United States of America. Based on several alleged violations of conditions of supervised release, the Court will modify the defendant's conditions of supervised release. Initially, the defendant sought to contest the supervised release modifications and the underlying allegations supporting the modifications. The defendant did not ultimately contest the allegations during the September 30, 2004 hearing. Accordingly,

IT IS SO ORDERED that the defendant shall participate in a Community Corrections Center ("CCC") for a period not to exceed 180 days. While at the CCC, the defendant shall participate in all programs, attend school full-time and maintain employment. The defendant may be released from the CCC at the discretion and direction of the Probation Office.

This condition shall be stayed unless or until the defendant commits another violation of supervised release and shall be enforced at the discretion and direction of the Probation Office.

IT IS ALSO SO ORDERED that the defendant serve an additional six (6) months of home detention with electronic monitoring as arranged by the Probation Office, under the same conditions imposed in Special Condition No. 7 of the original order for supervised release.

DATED: Honolulu, Hawaii, October 18, 2004.
